- For the Krungthai Travel Mastercard Debit card with a supplementary card, the spending amount from the supplementary card will be combined with the primary card, and the cashback will be returned to the account linked to the primary card only. Cashback is limited to both the primary and supplementary cards, with the maximum cashback being in accordance with the conditions of the primary card.
- The Bank reserves the right to grant cashback only for spending on a first-come, first-served basis, based on the date and time of the transaction as recorded in the Bank's system. The calculation of spending made abroad and in foreign currency is done by converting the foreign currency to Thai Baht to determine the accumulated spending amount of 30,000 Baht. This conversion is based on the 'Thai Baht' exchange rate provided by Mastercard on the transaction date, as recorded in the Bank's system.
- The Bank reserves the right to calculate only the spending transactions made for purchasing goods/services abroad that have been successfully completed. Transactions that have been canceled, returned, or refunded will not be counted in any case. If, in any month, the accumulated spending does not reach 30,000 Baht, the customer will not receive cashback for that month. The accumulated spending will carry over to the following months until it reaches 30,000 Baht. Any accumulated spending as of December 31, 2024, that does not reach 30,000 Baht will be discarded, and the accumulation will restart on January 1, 2025.

- In the event of a new card issuance for any reason, the calculation of spending and cashback (whether already received during the year or pending) will be tied to the primary cardholder's national ID card number.
- The promotion period is from August 21, 2024, to December 31, 2025.
- The Bank reserves the right to provide cashback to customers whose accounts are still in normal status or whose deposit accounts are not closed, seized, or frozen, and whose Krungthai Travel Mastercard Debit card has not been canceled until the date on which the Bank provides the cashback.
