(13) For corporate transactions, including the case of business reorganization, merger, sale, purchase, joint venture, assignment, transfer, or dispose of business, property or share, rehabilitation, joint venture, or other similar transaction either partially or all of business, the Bank may disclose your personal data to one or more assignees as a part of such transaction.

(14) For prevention or stop of dangers to lives, bodies or health of persons

In this respect, if you do not provide personal data to the Bank, it may have impact on you, such as the Bank may not proceed its duties or obligations under the employment contract or to provide services to you, such as The Bank may not proceed with your requests; you may experience some inconvenience or do not obtain the performance of agreements and you may receive damage or lose opportunities. In addition, your refusal to provide personal data may affect the compliance with any law that the Bank or you must comply with and may have related penalties as a consequence.

3. Who does the Bank disclose or transfer your personal data to?

The Bank may disclose or transfer your personal data to the following third parties, whereby the collection, use or disclosure and/or cross-border transfer of personal data for purposes under this Privacy Policy. These third parties may live in Thailand or abroad, you can check on the privacy policy of such third parties in order to understand the details regarding the methods of the collection, use and/or disclosure of your personal data, since you are a data subject as specified in the privacy policy of such third parties.

3.1 Affiliates

The Bank may have to disclose your personal data, for the purposes specified in Clause 2 herein, to overseas branches of the Bank, the Bank’s financial business group and the Bank’s affiliates. The disclosure of your personal data to such financial business group and affiliates will make such other companies be able to use your consent obtained by the Bank in order to collect, use, disclose and/or cross-border transfer of your personal data.

3.2 The Bank’s Service providers

The Bank may outsource the Bank’s services on behalf of the Bank in order to assist operations and to provide you with products and services, including any procedure for providing you benefits. The Bank may share your personal data to the outsourcing parties, the representative’s service providers, including but not limited to (1) internet service providers, software developers, website developers, digital media developers, information technology service providers and service providers of information technology support, (2) logistics and transportation service providers, (3) training providers and its lecturer, (4) event service providers, (5) data storage and cloud storage service providers, (6) auditors, (7) lawyers, legal counsels for the Bank’s benefits, including exercising legal claims and defending against legal claims, audits and/or other professionals in assisting the Bank’s business operations, (8) document storage and/or disposal service providers, (9) recruitment and Human Resources service provider, (10) telecommunications service providers, (11) outsourcing service providers.

During the provision of such services, the service providers may have the right to access your personal
data, however the Bank will only provide your personal data to the service providers as necessary for the services. The Bank will ensure that the service providers do not use your personal data for any other purposes and they must protect a security of your personal data in compliance with the law.

3.3 The Bank’s business alliances

The Bank may transfer your personal data to the Bank’s business partner for conducting business and provide services to the Bank’s customers and groups of customers who tend to use services from the Bank, including but not limited to educational institution, agency or training service provider or professional training institution, hospital, air ticket company, insurance company, agency [card manufacturing company, printing company, analytics, research, and survey service provider]

3.4 Third parties as specified by laws

In some cases, the Bank may have to disclose your personal data in compliance with the laws, including orders issued by laws which include law enforcement agencies, courts, Legal Execution Department, authorities, government agencies (e.g. the Bank of Thailand, National Health Security Office, Office of the Civil Service Commission, Royal Thai Police, the Revenue Department, Ministry of Finance, State Enterprise Policy Committee, The Securities and Exchange Commission, Territorial Defense Command, Military Recruitment Office, and/or other agencies) or other persons that the Bank believes it is necessary to comply with the laws or to protect the Bank’s rights, the rights of third parties or for the security of persons or for inspection, prevention or corruption problem solving, security, safety, including any other risk.

3.5 Associations and clubs

In some cases, the Bank may have to disclose your personal data to relevant institutions, associations or clubs, such as Auditors Association of Thailand, Financial Planners Association, including the Thai Bankers’ Association for developing your potential by providing training courses, testing and maintaining status in order to support you to receive special qualifications

3.6 Assignees

In case of a business reorganization, merger and acquisition, entire business or part of business transfer, sale, purchase, joint venture, grant, transfer part or all of business, assets, shares, or other similar transactions, the Bank shall have to disclose your personal data to third parties who have been assigned or wish to be assignees of the Bank such as new employer or who has potential to be a new employer. In this respect, the Bank shall procure that such third parties shall comply at all times with this Privacy Policy when there is a collection, use or disclosure and/or overseas transfer of your personal data.

3.7 Third parties

The Bank may disclose your personal data under the legal basis according to the purposes specified in this Privacy Policy to other third parties, such as customer, other legal references, hotel, as the case may be.

4. Cross-border transfer of your personal data

The Bank may cross-border transfer your personal data to other countries which may have a higher or lower standard of personal data protection than Thailand, such as when the Bank collects your personal data on cloud platforms or server outside Thailand for information technology support.

When it is necessary for the Bank to transfer your personal data to other countries which having a lower standard of personal data protection than Thailand, the Bank shall procure to ensure that there is an appropriate protection measure or personal data protection laws allow the transfer of personal data, e.g., the Bank may have to obtain a confirmation according to the contract from third parties who have access to such personal data that your personal data shall be protected under the same personal data protection standard of Thailand.
5. Duration of personal data storage period

The Bank shall retain your personal data for a necessary period for compliance with the purposes stated in this Privacy Policy. In this respect, for compliance with the law, the Bank may have to retain your personal data as long as it required by laws.

6. Your rights as the Data Subject

Rights stated in this section mean legal rights relating to your personal data whereby you may use these rights with persons required by laws, in this regard, under the conditions stipulated by law and the process of the rights management of the Bank, such rights include the following rights:

(1) Right of access to personal data. you may have the right to access personal data or request for a copy of personal data that the Bank collected, used, disclosed and/or cross-border transferred of your personal data, for your privacy and security, the Bank may request you to verify personal identity before providing you with personal data as requested.

(2) Right to rectification of personal data, you may have the right to rectify your personal data that the Bank collected, used, disclosed and/or cross-border transferred of your personal data if such personal data is incomplete, incorrect, misleading or not up-to-date.

(3) Right to data portability of personal data, you may request the Bank to provide your personal data in electronic format with an explicit structure and to transfer such personal data to other data controllers, whereby this data is (a) your personal data provided to the Bank, (b) the Bank collected, used, disclosed and/or overseas transferred of personal data with your consent or for compliance with the contract between the Bank and you.

(4) Right to object of personal data, you may have the right to object some types of the collection, use, disclosure and/or overseas transfer of personal data, such as objection to direct marketing purpose.

(5) Right to restriction on the use of personal data, you may have the right to restrict the use of your personal data in some cases.

(6) Right to withdraw consent, you may have the right to withdraw your consent at any time for purposes that you gave your consent to the Bank to collect, use, disclose and/or overseas transfer your personal data.

(7) Right to erasure of personal data, you may have the right to request the Bank to erase your personal data or anonymize your personal data, however there is an exemption for the Bank not to take such actions if the Bank must retain such personal data in order to comply with the laws or to lawfully establish legal claims or to lawfully exercise legal claims or to lawfully defend against legal claims.

(8) Right to complaint, you may have the right to complain to the relevant authorities if you believe that the collection, use, disclosure and/or overseas transfer of your personal data was unlawful or violated the law on personal data protection.

If you want to use any right specified in this section, you can do so done by contacting the contact channels specified in “Contact the Bank” section. Request for using any right above may be restricted by the relevant laws, in some cases, the Bank can appropriately and rightfully reject your request, such as when the Bank must comply with the laws or court orders.
If you believe that the collection, use, disclosure and/or overseas transfer of your personal data by the Bank violated personal data protection laws, you have the right to make a complaint to the relevant authorities with respect to personal data protection. However, you may initially inform the Bank of your concern in order for the Bank to consider solving your concern, please contact the Bank through the channels provided in this Privacy Policy.

7. Changes to Privacy Policy

The Bank may make any change to this Privacy Policy from time to time if there is any change in the Bank’s practice guidelines on personal data protection due to various possible reasons, e.g., technological or legal change. Changes to this Privacy Policy shall be effective when the Bank publishes on https://www.krungthai.com. However, if such change significantly affects your personal data, the Bank will notify you in advance regarding such change prior to the effectiveness.

8. Contact the Bank
